Where To Download

Coaching Presence
examines how self-
awareness can be
built across key
aspects of coaching
practice, introducing
a model that will help
you make a conscious
and deliberate choice
for every approach or
intervention that you
use with your client.
It explores how, by
paying close

Where To Download

attention to the motivations behind every coaching choice, you can minimize the unconscious negative influences and bias to produce the best outcome for the client and their wider system.
