Right now, 70% of Americans aren't passionate about their work and are desperately longing for meaning and purpose. They're sick of "average" and know there's something better out there, but they just don't know how to reach it. One basic principle–The Proximity Principle–can change everything you thought you knew about pursuing a career you love. In his latest book, The Proximity Principle, national radio host and career expert Ken Coleman provides a simple plan of how positioning yourself near the right people and places can help you land the job you love. Forget the traditional career advice you've heard! Networking, handing out business cards, and updating your online profile do nothing to set you apart from other candidates. Ken will show you how to be intentional and genuine about the connections you make with a fresh, unexpected take on resumes and the job interview process. You'll discover the five people you should look for and the four best places to grow, learn, practice, and perform so you can step into the role you were created to fill. After reading The Proximity Principle, you'll know how to connect with the right people and put yourself in the right places, so opportunities will come–and you'll be prepared to take them.

Celebrate the 25th anniversary of this Newbery and Coretta Scott King Honoree about a hilarious family on a road-trip at one of the most important times in America's history. This special edition makes a perfect gift and includes bonus content! Enter the hilarious world of ten-year-old Kenny and his family, the Weird Watsons of Flint, Michigan. There's Momma, Dad, little sister Joetta, and brother Byron, who's thirteen and an "official juvenile delinquent." When Byron gets to be too much trouble, they head South to Birmingham to visit Grandma, the one person who can shape him up. And they'll be in Birmingham during one of the darkest moments in America's history. "Every so often a book becomes a modern classic almost as soon as it arrives on bookshelves. That happened in the mid-'90s when Christopher Paul Curtis released his first book, The Watsons Go to Birmingham--1963." --NPR "One of the best novels EVER." --Jacqueline Woodson, Newbery Honor and National Book Award-winning author of Brown Girl Dreaming

Avoid Student Loans is a revolutionary book where a personal finance expert and a recent college graduate come together to offer you exclusive advice on how to make sure your college education is an investment rather than a liability (requiring large loan payments for 10 years or more after graduation.) In this book you'll learn ways to reduce your cost of college, win more scholarships, and make smart financial decisions while in college. Following this easy-to-read guide can lead you to landing in a much better place after graduation, well ahead of your peers, and without the ball and chain of a large loan payment.

FINALIST FOR THE BOOKER PRIZE & WINNER OF THE L.A. TIMES BOOK PRIZE FOR FICTION and THE ASPEN WORDS LITERARY PRIZE "It was as if Hamid knew what was going to happen to America and the world, and gave us a road map to our future... At once terrifying and ... oddly hopeful." --Ayelet Waldman, The New York Times Book Review "Moving, audacious, and indelibly human." --Entertainment Weekly, "A" rating The New York Times bestselling novel: an astonishingly visionary love story that imagines the forces that drive ordinary people from their homes into the uncertain embrace of new lands, from the author of The Reluctant Fundamentalist and the forthcoming The Last White Man. In a country teetering on the brink of civil war, two young people meet–sensual, fiercely independent Nadia and gentle, restrained Saeed. They embark on a furtive love affair, and are soon cloistered in a premature intimacy by the unrest roiling their city. When it explodes, turning familiar streets into a patchwork of checkpoints and bomb blasts, they begin to hear whispers about doors–doors that can whisk people far away, if perilously and for a price. As the violence escalates, Nadia and Saeed decide that they no longer have a choice. Leaving their homeland and their old lives behind, they find a door and step through. . . . Exit West follows these remarkable characters as they emerge into an alien and uncertain future, struggling to hold on to each other, to their past, to the very sense of who they are. Profoundly intimate and powerfully inventive, it tells an unforgettable story of love, loyalty, and courage that is both completely of our time and for all time.

NATIONAL BOOK AWARD FINALIST • NATIONAL BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of The Lost City of Z. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history.

Dave Ramsey explains those scriptural guidelines for handling money.

A supplemental textbook for middle and high school students, Hoosiers and the American Story provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

Krugman's Economics for AP® second edition is designed to be easy to read and easy to use. This book is your ultimate tool for success in the AP® Economics course and Exam. The text combines the successful storytelling, vivid examples, and clear explanations of Paul Krugman and Robin Wells with the AP® expertise of Margaret Ray and David Anderson. In this exciting new edition of the AP® text, Ray and Anderson successfully marry Krugman's engaging approach and captivating writing with content based on The College Board's AP® Economics Course outline, all while focusing on the specific needs and interests of high school teachers and students.
