The club's next book is "George's Secret Key to the Universe," by Professor Stephen Hawking and his  
daughter Lucy.

~~Excerpt: 'George's Secret Key to the Universe'~~

GEORGE'S SECRET KEY TO THE UNIVERSE is an example of what you get when someone decides to write for  
children because, after all, how hard can it be? It also exemplifies the dangers of trying to combine  
teaching with storytelling: What you often end up with is a preachy, didactic story told in a  
condescending tone with stereotypical characters and a plot that doesn't make a whole lot of sense.
