This book supports students preparing for Cambridge International Examinations IGCSE English as a Second Language (0510 / 0511 / 0991). The full-colour exam preparation and practice book contains four guided practice tests, audio and video to build confidence ready for the revised exam from 2019. It takes an active learning approach with a test-teach-test methodology. This encourages students to think about how they are developing language skills, helping them progress. Full sample answers with examiner comments and grades are included to help students understand what is required in the writing and speaking exams. This is part of the Cambridge IGCSE ESL toolbox of resources - the widest choice of resources for this qualification.

Providing guidance that helps students practice and troubleshoot their exam technique, these books send them into their exam with the confidence to aim for the best grades. - Enables students to avoid common misconceptions and mistakes by highlighting them throughout - Builds students' skills constructing and writing answers as they progress through a range of practice questions - Allows students to mark their own responses and easily identify areas for improvement using the answers in the back of the book - Helps students target their revision and focus on important concepts and skills with key objectives at the beginning of every chapter - Ensures that students maximise their time in the exam by including examiner's tips and suggestions on how to approach the questions This title has not been through the Cambridge International Examinations endorsement process.

The most practical and up-to-date approach to the latest Cambridge IGCSE ICT syllabus. This second edition encourages students to apply practical ICT skills in context, building exam confidence and achievement. To strengthen students' assessment potential, interactive tests are included via online access.
