Granted, I read *She Went All the Way* after all the above books mentioned, so the bar has been set pretty high. The story follows Lou Calabrese, a screenwriter and Jack Townsend, an actor loved by the American public. When Lou's ex runs off and marries Jack's ex, the already awkward relationship between the two gets even more uncomfortable.

She Went All the Way is the funny and sexy story of Oscar winning screenwriter, Lou Calabrese, and hunky, George Clooney-like actor, Jack Townsend. Things take off at lighting-fast-speed when Lou and Jack are flying via helicopter to shoot the final scene of the blockbuster movie series, *Copkiller*. (Lou wrote it. Jack is the star).

It's all your fault, Barry. Except that it wasn't. Lou knew perfectly well that if anyone was to blame for what had happened, it was her. She never ought to have fallen for Barry Kimmel in the first place. For one thing, of course, Barry was an actor. And if Lou had learned anything in her years in LA, it was never to trust an actor.

Sandy blends her sweet and spirited water-colour with her original words of wisdom to create the perfect gift for women. "She went out on a limb, had it break off, and realised she could fly." We've all been there on occasion. We've overreached and achieved success by reaching deep within, rallying, and overcoming life's difficulties and challenges that would keep us from our goals. For every woman who has said, "I can" in place of, "I can't," author and illustrator Sandy Gingras offers inspiration inside *She Went Out on a Limb*, an illustrated list book of positive and affirming phrases, some original, some quoted. The thoughtful and poetic prose along with original watercolour illustrations combine to focus on the positive and remind you to combat fear and adversity through affirmation in your own beliefs and abilities. The limb may break, but the flight holds exhilarating promise.
